## A Nurse With A Huge Heart

During September 11-19th I had the opportunity to go to Haiti with Aaron Sherrick and spend the week with Espérandieu and his family. It was my first trip to Haiti and an amazing experience. I have felt that God was asking me to invest my time and nursing skills into the community of Chambrun and the Nehemiah Christian Academy.

We held a clinic for the children at the school and were able to do an exam and start a medical chart on most of the children. We administered de-worming drugs, scabies treatments and vision testing. I was also able to do some teaching with the students on hygiene, and educate the teachers on basic care of the kid's medical needs. We were

able to provide some medications for the teachers as well. I found that even though some of the children were still very malnourished most were doing fairly well. I believe that is attributed to the feeding program the school is already providing. Without it, I believe they would be in worse shape.

The need there is still great but much progress is being made. I am looking forward to this being

the first of many clinics that we will have for the kids and the community. I can see that God is providing so much for Nehemiah already. The people of Chambrun are very grateful for everything that we have been able to do for them and I found them to be very loving and kind. Their love of God was also very evident as well and it was a blessing to me to see the impact of what Nehemiah Vision Ministries is doing first hand for these people.

Blessings,

## Blessed By Child Sponsorships

In January we started our child sponsorship program and it has become a key element in our ministry. This program is helping to fund an education, daily hot meals and basic health care for all of the children.

There are currently seventeen children with sponsors and we would like to see that number grow.

As a sponsor you will receive information about your child along with a photography. You can correspond with your child by mail and even send special small gifts on birthdays and holidays.

You can become a sponsor today to a child in need for as little as \$40.00 each month. This new loving relationship will change the child's life and yours forever!
