## Nehemiah Worship Chapel

The Nehemiah Worship Chapel (NWC) was birthed just like the Nehemiah Children's Home (NCH), to fill a real need. As you may know the Nehemiah Christian Academy (NCA) started in 2005 with 30 students to respond to a crucial need of education, health care, feeding and to share the good news of Jesus.

Today the NCA is providing a biblical education to over 240 students with a hot meal daily. It occurred to me several months ago that on Sunday mornings the children were just sitting around playing in the polluted dust and doing nothing. Many of their parents were in the brush cutting up thorn trees to make charcoal – one of the only sources of income in the community. I have prayed and thought for a long time about having Sunday morning worship for them.

Then on Sunday January 4th 2009, we had our first church service in the new school building with nearly 100 in attendance. There were at least eighty children and twenty adults. Since then, the crowd has grown and I believe will continue to grow. It blesses me to see the eagerness of the children to learn new songs, stories and bible verses.

I am very delighted to share this good news with you because the Lord is doing great things in the lives of those children and adults. We have been able to serve them kool-aid and biscuit after each service, that is also a blast. They just love it and will not leave until every drop of the kool-aid is gone.

Dianne having had a special training on Child Evangelism in Bible school is enjoying herself as she shares with them the word of God with the limited visual aid we have. I am persuaded that God will transform the lives of those children as we continue to offer them good Christian based education and the word of God at the NWC.

### Please pray that:

- *The word of God will grab a hold of their hearts and the Holy Spirit will fill their lives at an early age.*
- *The Lord will provide for the kool-aid and biscuit we serve after church every Sunday.*
- *We can have a real place of worship, since it looks as though we will soon outgrow the current chapel.*
- *The Lord will send short term teachers to help teach or train the older kids on how to be teachers of the Word.*
- *Our need of puppets, flannel graph board materials, CD's, DVD's in any language and any visual aid that can help the children learn the word of God.*

In one word, God is doing "AMAZING" things in Chambrun and we are excited to be a part of this work.

Pray, Give, Come or Go, would you be a part of it?

Blessings,

Esperandieu L. Pierre

## Life Story: No One Else Cares

This disabled single mom of three beautiful little girls was in church one Sunday. At the end of the service, they were praying for those in need and she moved her wheelchair forward and started screaming about her hard life.

She said God has sent NVM to help her; to find food for her family and to help take care of her little girls.

She said, "No one else cares about me and I am very grateful for all God has done for me through Pastor Pierre."

### NVM Monthly Budget 2009

NVM Employee Salaries	2600.00
Nehemiah Children's Home	450.00

## Thank You FMSC!

In early September, Feed My Starving Children (FMSC) donated a 40 foot container of food to us. It was a long process to have the food in hand but it finally happened. We were able to clear the container from customs in early November and now the Nehemiah Christian Academy has enough food to last the entire school year.

We can't thank FMSC enough for their generous donation and all those who helped pay for the shipping cost to have the container delivered to us in Chambrun, Haiti.

## Nehemiah Children's Home Opens

The grand opening of the children's home happened over the weekend of May 18th. Nine children from Chambrun have been brought into our rented home where they will be cared for by our loving staff.

All of these children attend the Nehemiah Christian Academy and that is why we feel the need to take care of them. Some have been abandoned by their parents while others just can not get the care needed by extended family members. Please pray for these young children and consider how you might reach out to their growing needs.
